Change is the essence of life, and I am the learner. Loss interrupts the flow of my life... the death of a loved one, illness, life-changing disappointment such as economic change or job loss, rejection by a person or institution that means a great deal to me. How do I hope in the midst of life’s changes? What is God asking of me?

The day will include conferences, time for quiet reflection, optional sharing, opportunity for the Sacrament of Reconciliation, and Eucharist.

Suggested Offering: $40.00

Christ the King Retreat Center also makes this experience available upon request for an individual or families who are dealing with loss.
